New York Workers' Compensation Handbook, 2009 Edition
Faxable Order Form

New York Workers' Compensation Handbook, 2009 Edition, authored by Ronald E. Weiss and Ronald Balter, recognized experts on the topic, is a valuable tool for understanding New York workers' compensation issues. The authors bring clarity to this complex area of law through detailed analysis, references to relevant statutes, recap of recent court decisions, descriptions of current practice and procedures, plus tables, charts, medical illustrations and a reference directory to make it easy to find information. (ISBN978-1-4224-7113-5 Pub #01230) **PUBLICATION DATE: APRIL 2009**

LexisNexis is pleased to present this valuable resource to members of NYSIA at a special discount price for orders placed through Eileen Harper, using this order form.
